

# WILD ROSE STABLES Monthly Newsletter

MAY 2026

HELLO SPRING 

It may not feel much like spring lately, but the barn has been busy in the best way! We've had lots of exciting new partnerships, fun lessons, and plenty happening around Wild Rose this month. Thanks to everyone for helping make the barn such a great place to be.

## BARN REMINDERS

**Outdoor Pole Reminder:** Please do not use the new outdoor poles for trot or canter poles. We'd like to keep them in good condition as long as possible.

**Fly Sheet Season:** Please bring fly sheets out and take heavier midweight blankets home. Hanging on stalls should only be a fly sheet and a sheet at this point.

**Spring Cleaning Time:** Please take a little time to tidy up around your stall, trunk, and locker area. Trunks and lockers should be able to fully close, and any extra clutter around stalls needs to be cleared out. Thank you for helping keep the barn clean and safe for everyone!

TIP OF THE MONTH

## JUST ANOTHER SCHOOLING ROUND

By Rachel Stanger

Horse showing can bring a lot of pressure for both horse and rider. One thing that has really helped me stay calm in the show ring is to reframe how I approach my rounds. I try to enter the ring thinking of it as "just another schooling round."

Letting go of the pressure to place helps you relax, ride more effectively, and actually enjoy the experience. Funny enough, when the focus shifts to learning and connection, the results usually follow on their own.

## HORSE *Spotlight*

**Samson ("Sammy")** is a 21-year-old Holsteiner (turning 22 on July 23) who spent his career in the jumper ring. He's never met a treat he didn't like, and while he's confident in most areas, vet work is not his favorite - he always goes first on vaccine days.

## RIDER *Spotlight*

### BETH SUAREZ

Beth Suarez has LaValentina and Bellame at Wild Rose, and also has Sandi, Mauro, and Mick at home.

Her favorite thing about being at the barn is the way it makes her feel—she's her most "me" and happiest when she's with her horses and her horse people. Beth might be the poster child for doing something simply because you love it... not necessarily because you're good at it, which is something a lot of us can relate to.

Outside of the hunter/jumper world, Beth's husband and son ride Polocrosse, which she says is a ton of fun—so if you're curious, track her down at the barn and ask her about it!
